이번 7권 표지 작업 도중
거의 완성했던 그림을 날려버렸습니다 ㅠㅠ
말로만 듣던 컴퓨터 작업의 무서움을
이렇게 직접 겪어보았어요.
인생에 대해 생각해보는
시간을 잠시 가진 다음
체념하고 다시 그리는 수밖에 없단 걸
깨달았습니다
나름 마지막 권을 장식하는
기억이 되겠네요

Well, it's just like Da-hong said. The situation here is not fun.

Wait, that guy...
It seems like I have seen him somewhere before.
Where was it?
아아아아

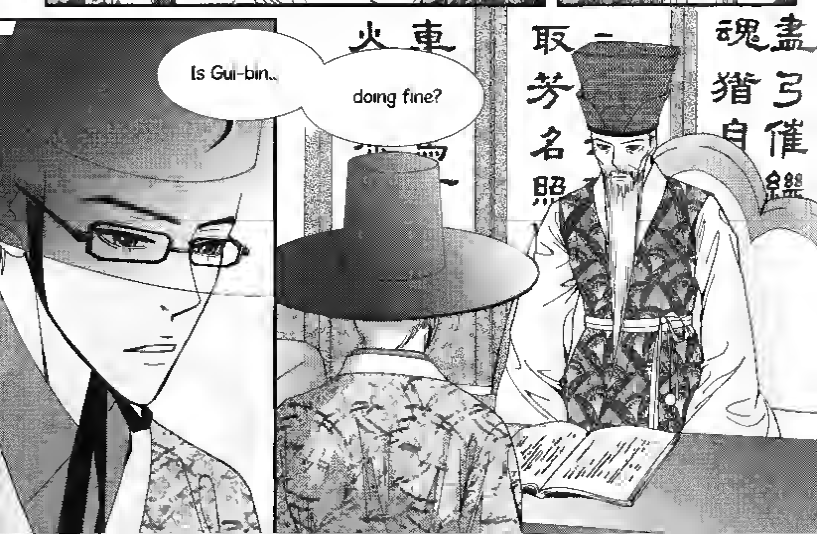

Master, your son is here.
Let him in.
六盡弓催鑾
忠魂猶自倚高樓
It has been a long time since we have last seen each other.
How about your work? Why did you come here instead?

MrSeo

Also, I didn't call you here. Do you have something important to tell me?

Is Gui-bin..
doing fine?

She is
And she still acts like a child.
It is hard taking care of her. She doesn't have a good family, any power supporters, or even any talent for the government.
She still doesn't know how hard it is for her to survive in that position. Her only way of surviving is to stick to her power, which was just by luck. I am still worried.
But it seems like Gui-bin has Sang-seon's power.
Let me visit Gui-bin.

It's still cold outside.

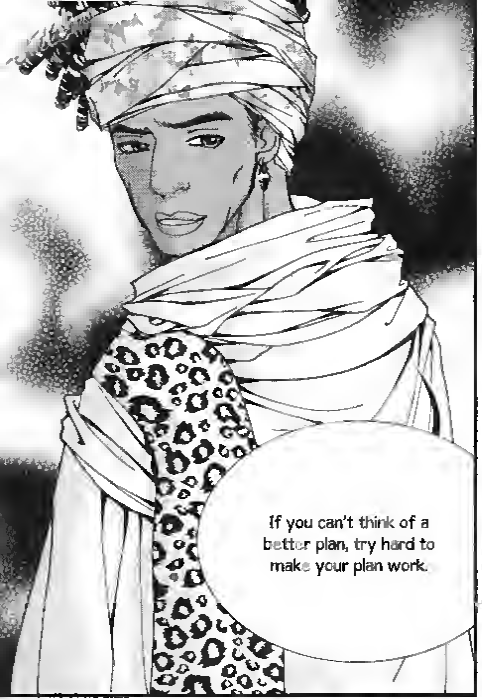

It is better if you close your windows.

Are you having a bad day as well?
Have a rest.

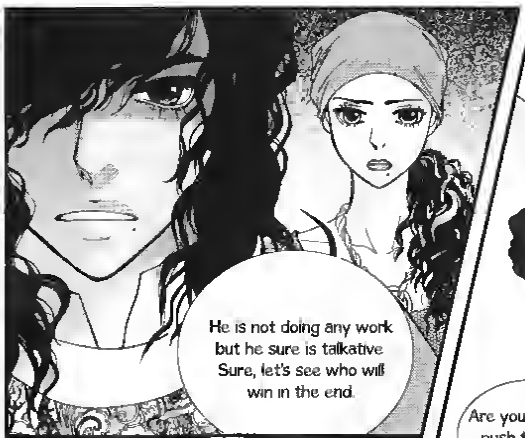

Having a bad day when it's a good day
Makes me sick.

Min's lingerie store is done and will just send it to the queen.
So, what is your next plan?

I am trying to steal their design and make something based on it. Then when they are about to send it to the queen, I will display it in the store.
Is the one who's going to steal it the spy from that store?
It was said that their product was finished a few days ago. Then when we have stolen their design, we should also hurry to make the same thing.
Look at the stupid idea you guys made.

If you can't think of a better plan, try hard to make your plan work.

However, no matter how hard you try, how can you not fail with a stupid plan like that?

He is not doing any work but he sure is talkative Sure, let's see who will win in the end.

Master,
Are you going to push through with that plan?

I think I can make something better than the Min store's! Why don't we just make our own and show them? Who knows, if the queen will like it, then she can help us!
That is not even true. Why are you acting weirdly?
Is it because you can't trust my talent?
We are in a serious situation right now. It's better to have a safe plan! If we could first become the no. 1 store, then that's the time you can have fun designing.
Let's go. My head hurts.
탁

Who was it?
I am sure I have
seen him before...

What are you thinking about?
Probably dazed out
Ah! They might know who that was
Well, I was thinking about someone I am sure I have seen him before but I can't remember who it was.
How does she look like?
It's a guy!
His face is really skinny and longish, and his eyes were kind of up His nose was long and turned, then his lips were a bit thin
This is...

IT'S GA-BI!
ME??
It's a guy
With no freckles too
Ah
Who is it?
Do i look like this?
Nope you're better looking
Ah!
뚜벅
뚜벅

Does he look like this?
Ah
The police gave this to us, too, but is he really the same guy you saw?
The police almost caught him but failed. So now, they placed a picture of him all over the area
I was wondering where I saw him, now I get it. I probably saw him in the paper! Hahaha!
No... It's just as you guys have said. There are a lot of thieves.
I almost told them about Aro

To whom are you giving these?

Is it to Nameya?
Aro...
And those keys are Hae-kang's. How did you get them?

When they gave me a sleeping medicine,
I made Hae-kang drink it with the tea I gave her.
Why did you do that?

A long time ago, I had a brother who I grew up with. And he said that if I don't do his bidding, he will tell the people that I used to be a bandit who worked with him before
Also, if they find out what I did, they will ascertain that I used to be a bandit and be disappointed... or arrest me. That's why...
I was afraid to leave this place, but it's over now, right?

Not yet.
You still have a chance if they accept your apology
I mean, they can forgive you and return things to before.
Only if Niyame thinks you are still working for them. But it would be hard for just you and me,
So let's tell Hae-kang.

No, I can't.
She is not going to forgive me.

No, you have worked with her for many years already, and she knows you.

Is she still sleeping? Why is she so late?
You said you'll wake her up.

Aro was not there. She has probably left this place already.
What are you saying?
Aro was...
She was...
All right, I will tell you what happened.

Now that Aro is gone, what will happen with Niyame now?
They will probably look for another way since we know their plan now
It would have worked well if Aro had listened to me.
Aro... What did she think of me?

I know her well since I have been with her for a long time. If she told me the truth, I would have forgiven her. Why didn't she tell me anything?
Exactly!
I said I would help her but she left!
Fine. She doesn't need my help huh?
Hurt
She said she wanted to live here forever

It was hard for her, right?
Does she even have anywhere to go?
If I was a nicer person, would she have told me about this?
Don't blame yourself. It was Niyame that is at fault
Think instead on how to make them pay

So, you're saying that Niyame knows what is happening in our shop, right?
Then, since you didn't give the design, they know that you have been found out, right?

No. Since they know there isn't always a chance to steal the design, they gave me 5 days to get it.

When the time is up, I have to put the design under that tree and hang a light over it to signify if it's there or not.

After which, Niyame will copy the design and place it back under the tree.

Then I must get that design back and return it to the shop.

If we didn't find this out...

If that worked out well, we might have faced a very big problem. When were they planning to show the designs?

If they had given it to the queen before us, then we would have lost our lives.

Then, how many days are there left?

3 more days.

Yeah, right.
Why don't we give them a fake design, instead?
SINCE WE CAN HAVE A COUNTERPLAN, THEY SHOULD BE THE SCARED ONES NOW
HOWEVER, THE IMPORTANT THING IS THAT WE CAN NOW DO SOMETHING ABOUT IT.
Another design... but it should be good, too. We can't make a new one, so we should find something good from my father's works.
Well, I have a good design in mind

I have a practice design I made when I was with Yeong-Ah.
Yeong-Ah said that it seemed like Teacher made it. So, if they see it as well, they might mistake it as Teacher's work. And since I made it with the queen in mind, I think the concept would be fine. How about it?
I'm saying that I think it is good enough.
Bring it to me
Alright.

Are you thinking you helped us do things easily?
No...
Yes. And it wasn't easy for you to come back, so thanks.
No. I don't deserve your gratitude.

How can I hear thanks from you?
If I could correct my wrongdoings I would do it no matter what.
I am sorry for betraying you, but please don't lose hope in me.
You must have been lonely and scared but I am thankful that you told us about this. And I thank you, too, for doing the hard work. I hate how I cannot say any of these because of my cold personality.
I am sure she knows my feelings even if I don't tell her anything.
What are they doing?

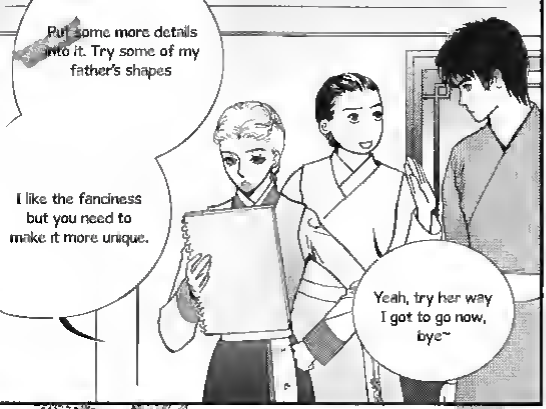

How is it?
It looks okay.
Right
All right then, until the day comes, we should work on this more so that Nyame won't figure it out.
Also, this should only be among the three of us. No one else must know about it.
.....

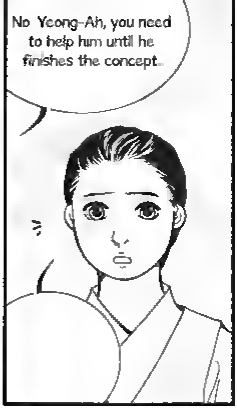

We are going to give this design to Niyame on that night.

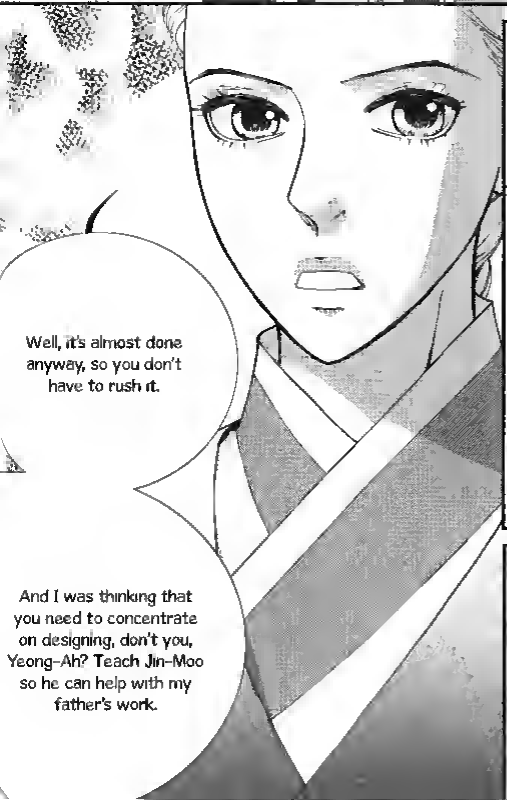

REALLY! WHAT ARE YOU DOING, JIN-MOO? I HAVE TO WORK, TOO!

I AM BUSY AS WELL!
NO! I CAN'T DO IT WITHOUT YOU!
HAE-KANG!
What is it?
Well, Jin-Moo wants me to help with his design practice piece and isn't letting me go.
Practice piece?

Put some more details into it. Try some of my father's shapes
I like the fanciness but you need to make it more unique.
Yeah, try her way I got to go now, bye~

No Yeong-Ah, you need to help him until he finishes the concept.

Well, it's almost done anyway, so you don't have to rush it.
And I was thinking that you need to concentrate on designing, don't you, Yeong-Ah? Teach Jin-Moo so he can help with my father's work.

You know I don't really do this to anyone, but I trust you with your designing skills. Finish this by tomorrow morning
Ah... okay

Have fun!
Hah! Teacher~ I am not your teacher.
TEacher, help me.

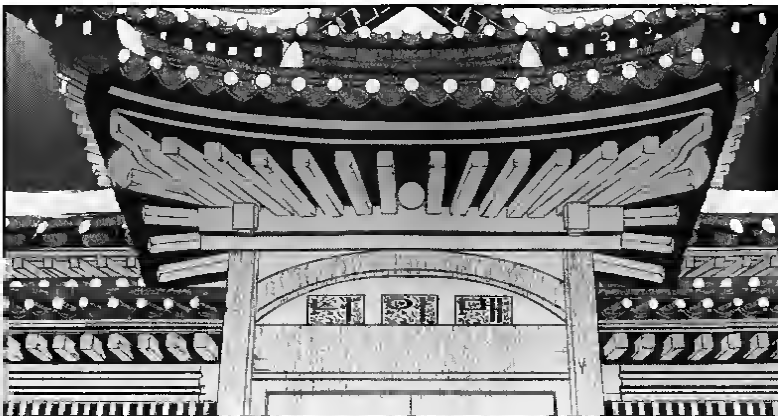

I'm going now.
If the situation turns bad, just run back here, okay?

Isn't it better if I follow her?
What if they find out? That will put Aro in a dangerous position
Leave it to Aro, she will be fine.

So, this is for the queen, right?
It's not that great though.

Yeah. How disappointing
Is this their best already?
Teacher Min just copied designs from before. But I see some of the new designs-
It's not the time to discuss how you think about their design.
If you are that great, why don't you do it with your skills? Didn't you say that earlier?
Just hurry and make clothes that look like this designs We don't have any time left.

Since it came back...
We didn't fail, right?
Good work, Aro!
Make Niyame believe that it is not a fake. Next time, we have to know if something is going on So keep the good work.
Why did you crumple these?
Yes

Any notes from Niyame?

None.
It seems nothing has happened, so I think it is going well, right?
But you still have to meet that bad guy, isn't that hard for you?
I'm fine.
Well, you solved these problems by yourself, so don't think too much about it. Look into the future instead.
I feel worse that I am lying to Teacher and the others. They don't know what I did...
And...

YOU HAD DIFFICULT PROBLEMS BUT YOU JUST LEFT ALONE! I AM NOT GOING TO ALLOW THAT TO HAPPEN AGAIN, UNDERSTAND?
NEVER EVER!
I WILL NOT LET IT HAPPEN AGAIN, UNDERSTOOD?
Yes.
If you leave again, Teacher and Hae-Kang will be lonely
Two people?

It's done.
Finally!

Won,
what happened?

She is sending me back home.
SENDING YOU HOME?!
There should be a reason why she wants to send you back.
.....
Won?
.....
The day when I went to the garden with the queen...

That day, the weather was good and the garden was beautiful, but..
I was having a bad day.
I was thinking about home, and I was worried about the shop
Today is a good day. It's sunny and the flowers look pretty, don't they?

Yes... Queen...
슥
What is your problem?
Sorry?
Tell me why your face always look so worried.
Well.. These days, I am missing Lingerie.
I knew it! You are always worried about your family and Lingerie. Then how about this,

Why don't you go back to that place you miss so much?
...That's it?
Did you even say you're sorry? Or did you not have any chance to say it?
It's not like you decided to come yourself, right?
I decided it myself.

After she said that, I prepared to get out of the palace.
주섬 주섬
Mr. Choi and his followers heard what happened and helped me to come here
You came with Mr. Choi? Where is he?
He said he is going back to Dosong, and...
뒤적 뒤적

Servant
He wanted me to deliver this letter to you.
Miss Hae Kang,
I suppose you are surprised about this. I am worried that you might be doing something dangerous.

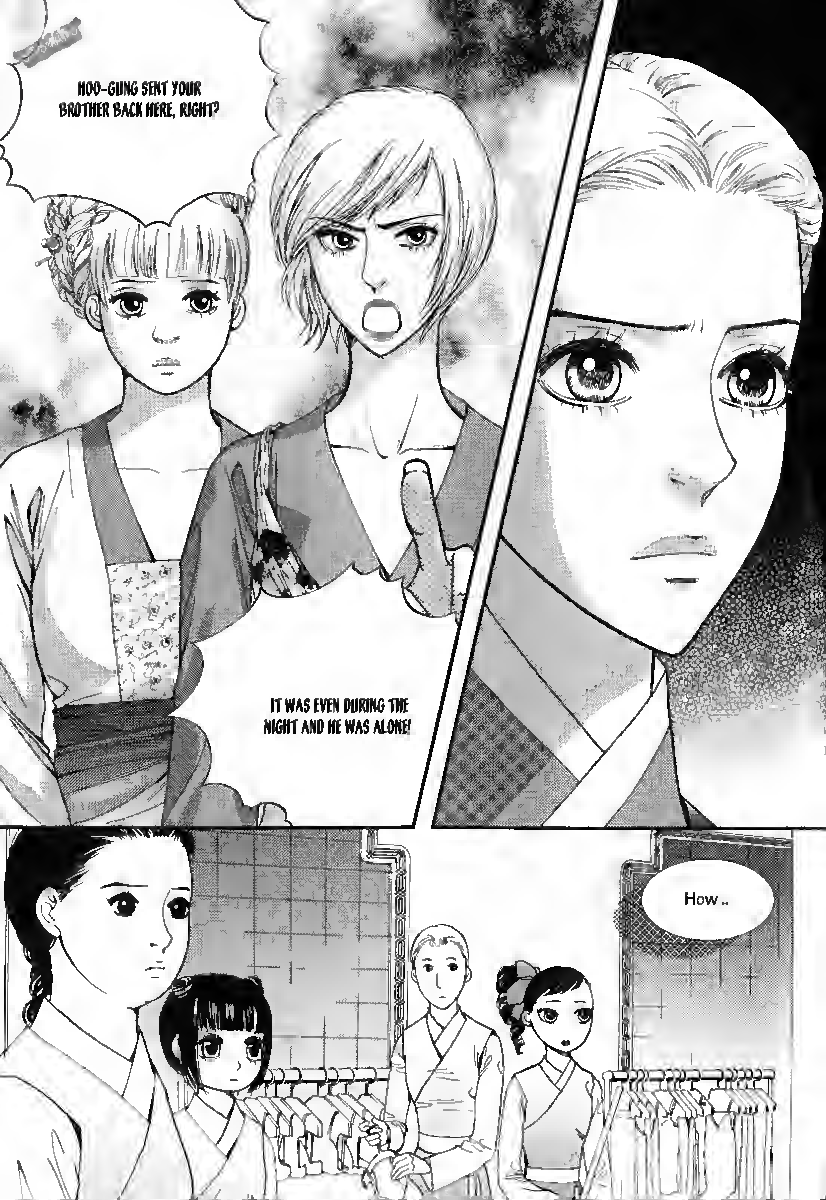

Yo-Han
I am not sure what's going to happen next, but since Sangseon is helping us, everything will eventually be fine.
Until I come to meet you again, please be healthy.
I am busy these days so I wasn't able to meet you and Teacher Don't worry, I will meet you soon.

Hae-Kang.
Ah...
Well, he said not to worry since Sang-seon will help us.
Ah, right! Sangseon is really nice and great. He will make things better, so don't worry.
Okay!
You never had any problems...
Okay, go to sleep.

We will watch what's going to happen.
So just be normal and work hard on selling and designing.
I think we need more time for the queen's lingerie until Won's problem is done When it's fine, let's talk about it
Then, should we start?
Yes.
All right.

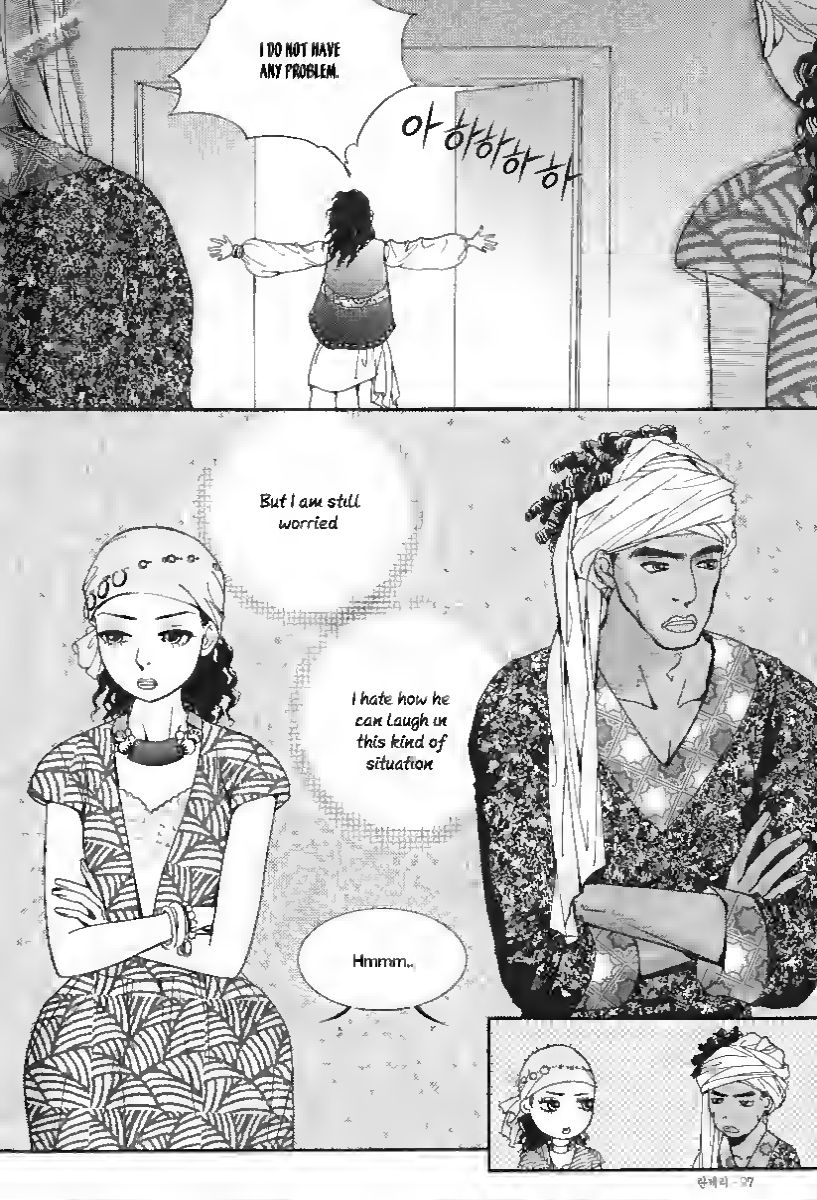

Hae-Kang.
Huh?
Please wait.
I received a note saying I will meet them tonight.
Should I tell them about Guibin's problem?
Ah...

Hae-Kang!
Hae-Kang!
Where are you?
Well.
Ah, there you are!
벌컥
You need to come here.
What made you come here?
What is she doing here?
Are you kidding me?

HOO-GUNG SENT YOUR BROTHER BACK HERE, RIGHT?
IT WAS EVEN DURING THE NIGHT AND HE WAS ALONE!
How ..

How did you know about that?
Well, when rice cake Bak was closing his door,
Mr. Bak! Mr. Bak!
I am Won, I came back.
Can I have one rice cake?
IF HE CAME BACK, THEN HE MUST HAVE GONE HERE RIGHT NOW. THE WHOLE OF LINGERIE KNOWS ALREADY!
Then Niyame also knows
WHAT WILL HAPPEN TO LINGERIE, THEN? ARE WE GOING TO DIE INSTEAD OF GAINING PROFITS NOW?

하하하
Their only supporter is Hoo-Gung, and he was kicked out of the palace. Hahaha! I believe God is helping us, Brother!
하하하
Now, it is up to the queen. They might lose their right, then we can have the chance to take over Lingerie.
If they will not die, we still have the copy of the design of their shop

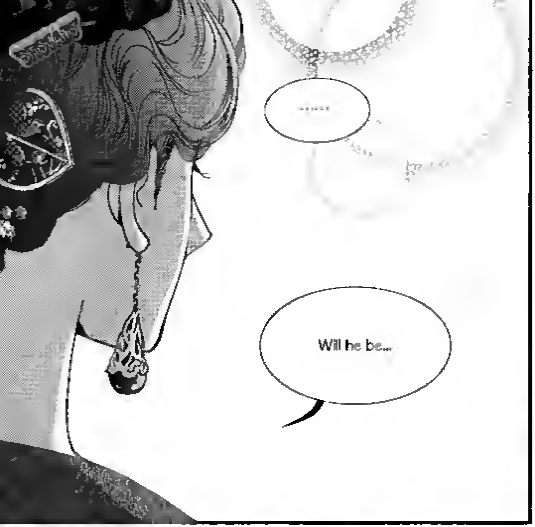

I DO NOT HAVE ANY PROBLEM.
아하하하하
But I am still worried
I hate how he can laugh in this kind of situation
Hmmm..

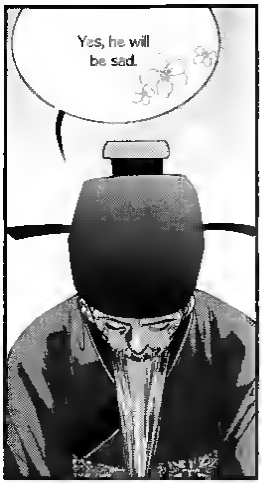

Are you Jin-Moo?
Ah... Guibin...
Have we...
...met before?

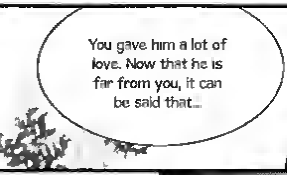

Anyway, I came to deliver a letter from Mr. Choi.
Is it good news?
Yes, it is. Thank you.
I have a bad feeling about this situation
They are laughing without any care.
Give us a chance again, Queen
퀸 한 아~
QUEEEEN~

Queen,
Guibin has reached his home safely.

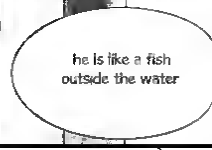

Queen, Guibin is...
Like a child, he went home because you told him to. I was sad that I could not have detained him
Right now, he is probably missing you just like how he missed his parents when he was staying in the palace.

.....
Will he be...

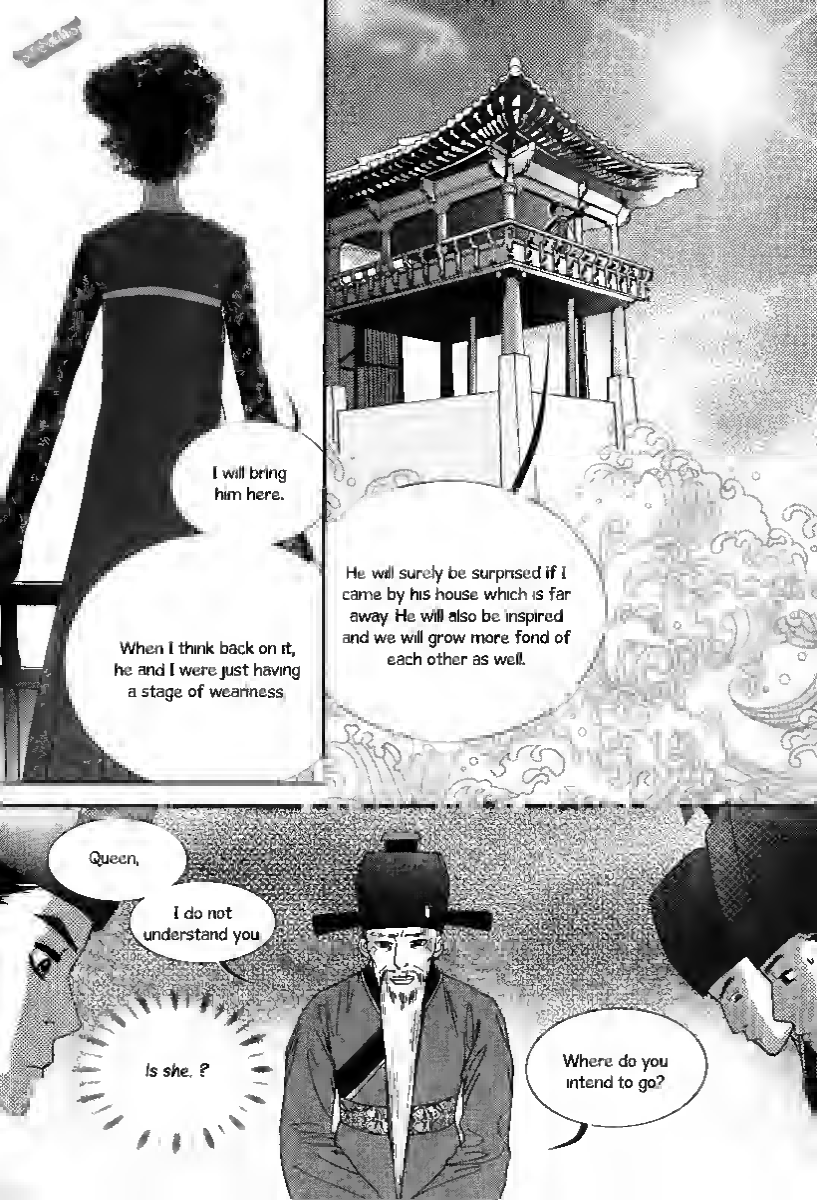

Yes, he will be sad.

You gave him a lot of love. Now that he is far from you, it can be said that...

he is like a fish outside the water

Why don't you call him back sometimes? Otherwise, he might get sick.
No need
Instead,

I will bring him here.
When I think back on it, he and I were just having a stage of weariness
He will surely be surprised if I came by his house which is far away. He will also be inspired and we will grow more fond of each other as well.
Queen,
I do not understand you
Is she. ?
Where do you intend to go?

I will go to Lingerie.

Were you looking for me? What is it?

The queen is...
Send the undergarments to the shop now.
coming to Lingene.

Long time no see, but you look tired.
Ah, do I? It is probably because I traveled a long way from Dosong.
Ah, then I can go back to the palace?
No, the queen is going to her summer cottage near Lingerie.
I came here in a hurry to tell you something about the queen.
I need to talk to you.

What is it?
Niyame is going to release their new lingerie today
It is probably that, right?
Probably.
I already told the others that we are going later.
All right.
What are they doing in there? Did they come for Guibin?

I don't like how there are many customers here.

Ah! You guys came.

Did you guys come to take a look at the new products?
I just released a new design and there are already a lot of customers.
Well, Hogung really likes you more than us, so I thought I should sell this to the commoners.
The queen wanted to buy lingerie but seeing that the commoners can easily get them, do you think she would still want to wear them?
The commoners will probably like to wear what the queen wears, but I don't think it will work the other way around.
KIK

파르르
As you can see, we have a lot of customers, I've got to go. Bye!
Let's go.

아하하
Wasn't my performance good?
Your expression was great, too.
Why are you still acting? You can smile now.
Is he still so in to acting?
HOW CAN THEY PUT THOSE UGLY ACCESSORIES TOGETHER LIKE THAT?
IT'S NOT EVEN SOMETHING SMALL, RATHER, IT IS HUGE!
깜짝

And they were even made with low quality fabric, how can those be pretty?!
But the customers still buy it
아이!
THEY HAVE POOR EYES IF THEY THINK THEY CAN WEAR THOSE UGLY PIECES OF LINGERIE!
Wow
He didn't even make it himself
Father and Yeong-Ah helped him.
It was a waste of time.
Does he want to design now?
Well, I like how you're confident of your talent, but you should also recognize the help you got from others
Calm down.
If I was able to finish it I could have done better than they did.

This place has a different fragrance from Dosong.
The smell most probably comes from the backyard that is full of pretty flowers

Well then, I think
I should go

I came here for you, so come with me.
스스
Queen.

Won.
Queen

Are you planning to go back to Lingerie?
I am old now. I will be glad if you can help the queen after me.
Why don't you just stay and help me?

The queen will be coming soon.
To the people of Lingerie, you must take your seats now

She has arrived
Pay your respects to the queen.
Everyone, rise up

You have all done good work for Lingerie.
I have always liked the items you make
So for today, I have set a party for you to rest and have fun.
I will return to the banquet hall
Queen, before that..
There is someone who wants to show you their product.

Min's store, come forward.
What was that smirk for?
This is a special lingerie made for you, Queen.

Oh! It's just what I expect from you.
This is wonderful! I like the style.
하..

What kind of gem is this?
The queen is the best!

Are you happy?
You're smiling.
When you smile like that, you look like...
a crazy woman.
Yeah, right! I am happy, so why don't you go in and have fun?
Since you are happy,
I want you to listen to my wish

Let me
leave this place.

Please let me go.
I have somewhere I want to be now.

I am not your slave.
When I came here, Sangsun changed some parts of the document. I will tell you what it was.
Oh!..
?
Anyway, I am a free man, so I can go wherever I want.
Where are you going? I can go with you.
No. I think it will be better if I go alone.
I want to go to...

BAMOON SCHOOL!
SO HELP ME.
When I think about it,
I don't have any money to pay for the turtion fee.
And you treated me like a slave, too
Just think of it as though you're helping a pitiful person, please. If I become a designer, I will help with your store.
Since your father is getting old, don't you think you need new designers?
So, how is it?

WHAT ARE YOU TALKING ABOUT, JIN-MOO?
How can you ask her that? You know who came first in the store!
SO IT SHOULD BE I WHO WILL GO THERE FIRST!
Well, you are already good at it. You don't have to go. As for me, I am still in the primary level. And just so you know, I am older than you.
If you say I'm already good at it, if I study designing properly, then I would become better!
Also, you're not that much older than I am! And you're so childish and I have been here longer!
Then why did you just ask her now, while I was asking myself?
I was going to, but I didn't think you will be the first one to ask.
Stop it!

I haven't said yet that I will pay for your school.
No, I was just saying.
Anyway, I'll think about it.
This...
I am going to discuss this with Father.
I feel that they have been anticipating for this moment.

Yes, that's right. But the money..
It's not like we have to pay for everything And we have the gems the queen gave us so I think it would work.
Why don't you just let the both of them go? They can become rivals and be helpful to each other as well
And the queen's lingerie is popular among the people right now
But I might need more workers.
Then we will find more people.
You think too much about many things, why don't you take this positively this time?
Yes, Father.

What happened?
We were fooled! Then what about the designs that we stole?
IT'S PROBABLY THAT SPY! I SHOULD BRING HER HERE AND GIVE HER ...
NO... I SHOULD BRING HIS BROTHER AND GIVE HIM A LESSON!
Quiet!

I will fix the problem, so go back to your country tomorrow
It's done and you have lost your chance now.

덜컹ㅡ
탁
Yes. I was stupid.

I thought if I used both my power and talent I would win against them.
I know it's my fault but I will not create mistakes again.
When I can show off my talent I'll show them that they are no match for me.
Just wait. Min Hae-Kang

Lightning? The sky is clear though
Sister!
I came here to see your return to the palace.
If you are going don't come back here like this again
Ohh. Okaay!

I have to go to the queen now. Until we meet again, Bye!
Well, the queen wants the Guibin to stick with her.
Ah, yes.
What a troublesome couple.
하아..
I guess I should go home.
Miss Hae-Kang

Nice to see you again

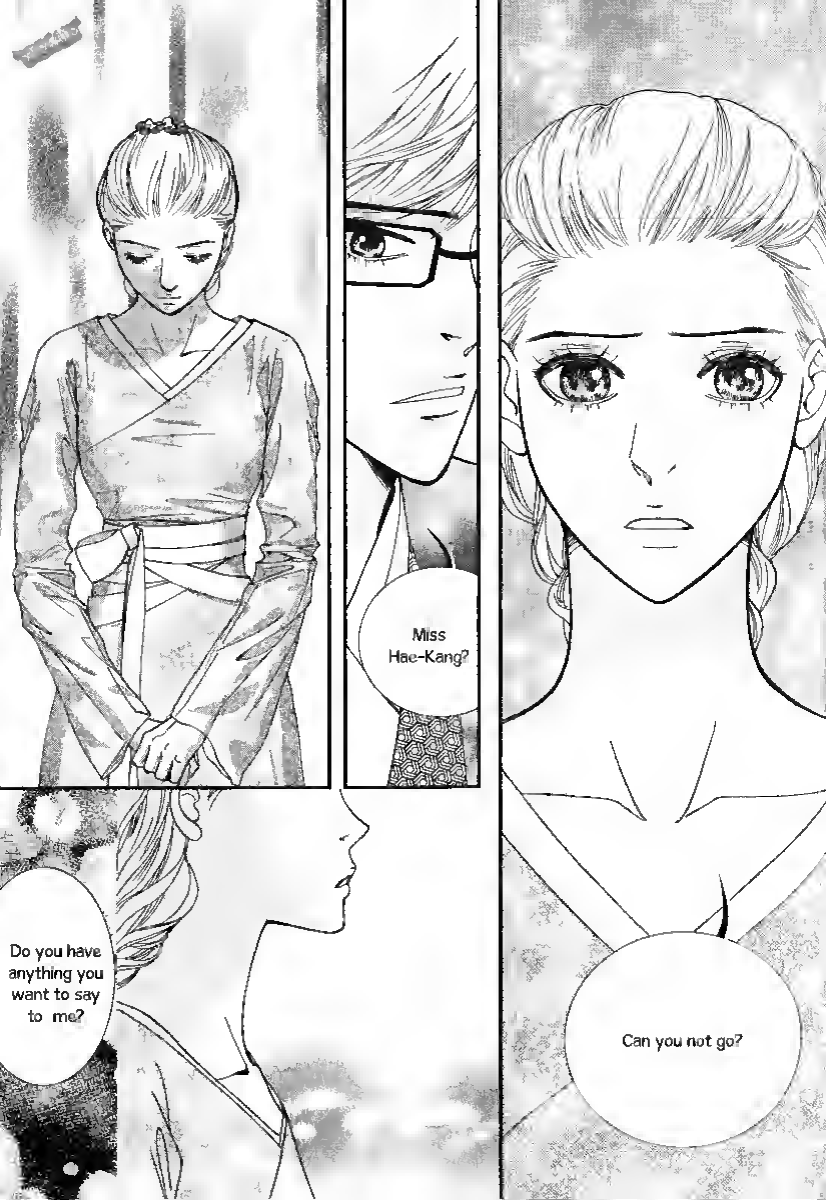

It is a good thing the problem has been settled well.
Yes, thanks to you.
No, it's because of you. I have done nothing.
.....
.....
When are you going to be Lingerie's guard?
Ah, that...
I have been asked to work in Dosong. So I am going to do that instead.

That's a good thing.
Though it will be sad that I cannot see you anymore
Ah, then you will have a higher rank now.
I didn't think I'll hear this news earlier than I thought I would.
Father and the workers will be upset about this. I think we should have a farewell party.
Ah! Then can we do it today?
Yes?
I will leave some time off if we are going to have a farewell party.
Ah, yes
Then come to my house today

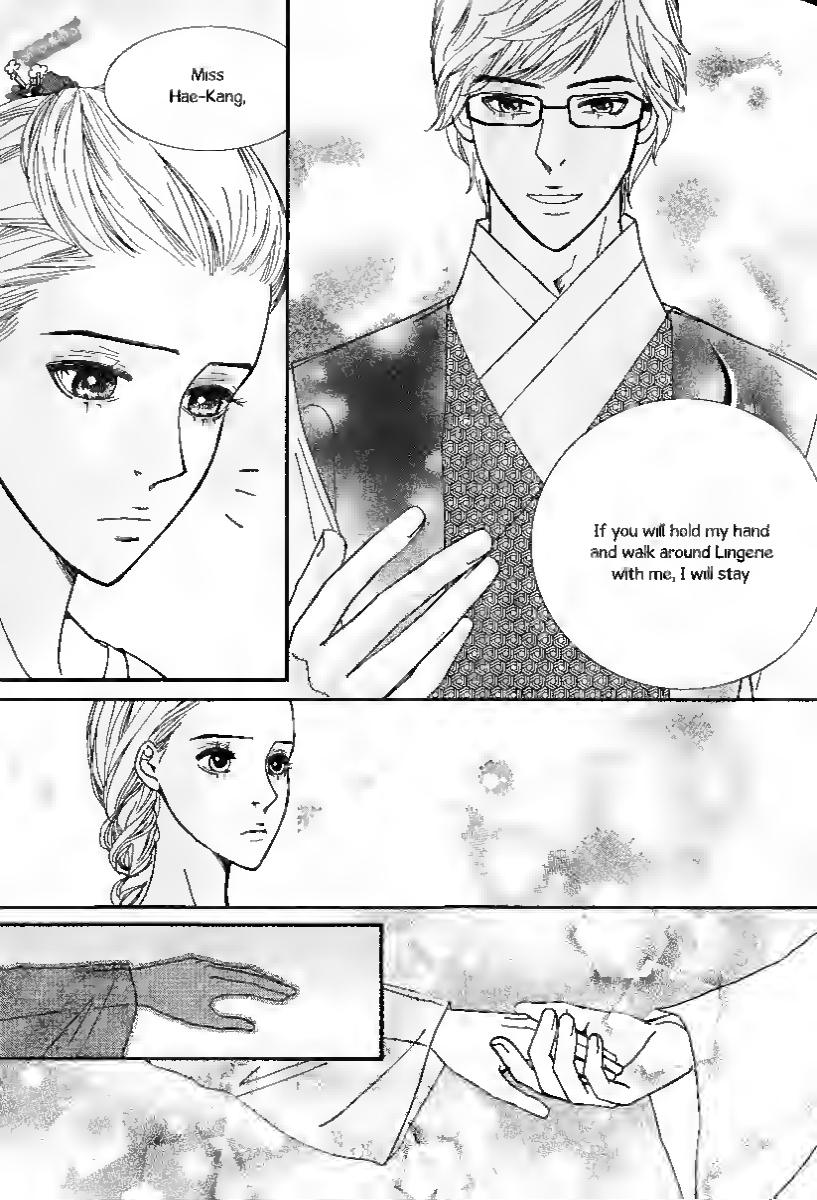

Mr. Choi is suddenly leaving.
What is he doing? Throwing a farewell party.
Is he trying to ask her out again?
If he was going to ask her out again, he would not be leaving.
What are you talking about?
Mr. Choi is not the problem here..
But Hae-Kang is.
Am I wrong, Jin-Moo?

I want to go to school.
Teacher, did you ask him about the school? Why?
No. I didn't ask him.
IF YOU WILL SEND JIN-MOO FIRST, I WILL BE MAD!
Where did Hae-Kang go?
Yeah, where is she?

Mr. Choi.
It is already late. Why are you out here?
Since you are going to live in Dosong, you should be happy that you can earn a lot there
Isn't it that everyone wants to have a great life?
우뚝

Miss Hae-Kang?
Can you not go?
Do you have anything you want to say to me?

I am sorry that I am asking you this now. But I don't think I will feel good after you leave

Miss
Hae-Kang,
If you will hold my hand
and walk around Lingene
with me, I will stay

So, are you going to stay here?
Since you said it, yes, I am going to stay
So why don't we just walk now?
What is this? You said it was a farewell party!
HE JUST FELL IN LOVE WITH A WOMAN! WHAT A NAUGHTY MAN!

Uhm, sorry
The item is already sold.
Really?
Again?
I told you to come here earlier.
You said you will see them leave, go now. I will take care of the shop.
Ah, all right. I will come back soon.
Why don't you make a reservation? I will call you when it's done.
Should we do it?
We will assist you as well.

Hey!
Are you done packing your baggage?
Ah, it's over there.
JIN-MOO, SHE HAS ARRIVED! COME HERE!
I want to walk faster too
Why should I also carry hers?

I am going now.
All right. Farewell.
Thank you. I will study hard!

After Story

Ga-bi is still the same. She is trying to experiment with fabrics. She doesn't look like she is working sometimes.
Aro is really busy these days. Teacher kind of bullies her now.
Stupid
Crazy
Slowpoke
Why can't you do this?
Die
That's because she's the one who helps Teacher now.
If it was you, you will cry and run away. But Aro never changes her emotions. It looks like Teacher is losing against her.
D...did you get it?
Yes.
When did I cry?
You did.
And Mr. Choi and Miss Hae-Kang became a couple.
Hae-Kang, let's have a picnic!
No, I can't. I have a lot of work to do.
How about tomorrow?
No, the next day?
No, next week?
Not this month.
But it looks like Mr. Choi is the only one trying too hard.
Ah, you are busy

Oh yeah, Mr. Choi. I will go with you to Dosong next month
Yes! Yes! Yes! Let's do that!
You like me that much?
Yes!
Eventually, they are having fun. But Hae Kang is the only one who can say yes or no
Choi is still like that. Poor guy...
Don't you want to date someone, too? Why don't you ask Jin-Moo?
She is talking nonsense.
How is that non-sense? I think she's right. You don't like it? I'm going ot be sad now~
I have to go now, bye!
